# The Islamia University of Bahawalpur

## Office of the Treasurer

No. 1538/PS  
Date: 10-06-2016

### NOTIFICATION

1. It is notified for information of all concerned that University was floated tender on IUB & PPRA website for procurements of Scientific Equipment, Surgical Instruments & Accessories, Glassware & Consumables, Medicines/Semen and Chemicals for University College of Veterinary & Animals Sciences. The Science Material Purchase Committee of this University in its meeting held on 26-05-2016 opened the Technical Proposal Envelopes. The Technical Committees on different items in their respective meetings approved firms (List attached) for opening the financial Proposal Envelopes mentioned as under:
2. The successful bidders are requested to attend the Purchase Committee meeting scheduled to be held on 22-06-2016 at 11:00 AM in the Office of Chairman, Chemistry Department (Baghdad-ul-Jadeed Campus) at the time of opening of financial proposal.

University College of Veterinary & Animal Sciences

No. 1-5 (UCV & AS) 2016

Dated: June 10<sup>th</sup>, 2016

**Subject: Evaluation of Technical Quotations for Tender for UCV&AS (Opened on 26-05-2016)**

Dear Sir,

After evaluation of the technical quotations received for supply of **Scientific Equipment, Surgical Instruments & Accessories, Glassware & Consumables, Medicines / Semen and Chemicals** for University College of Veterinary & Animals Sciences, Islamia University of Bahawalpur, we have found quotations of various firms/suppliers according to the required specifications and hence request opening of their financial bids.

**Tender A. Scientific Equipments  
Equipments mentioned in Tender**

1. Automatic commercial electric meat-bone saw
2. Blades & Cornercrackers
3. Creep feeder
4. Crude fiber estimation
5. Dissection tables
6. Egg Candler
7. Eye Piece Double Demonstration
8. Feed Mill Plant
9. Film Dryer Folding Stand
10. Gradient Thermal Cycler
11. Handling and restraining tools (set)
12. Hematology Analyzer
13. Horse Shoes, Shocingand forging tools
14. Incubator
15. Large animal Surgery Kit
16. Loading chute
17. Parasitology Slides Set
18. Model for Livestock farm
19. Orthopedic Surgery Kit
20. Phase Contrast Microscope
21. Portable foot bath
22. Rope
23. Saddle for horse
24. Scientific Deep freezer
25. Silage Bailer & wrapper
26. Single row maize chopper

27. Standard Orthopedic Kit
28. Stereo Microscope with camera for insects photography
29. Wool diameter measuring guage
30. Wrapping Film
31. X-Ray Illuminator

Sr. No.	Firms/Supplier	Status
1.	Shalimar Scientific Store	Accepted for item No. 1 (1&alternate), 24
2.	S.U. Enterprises	Accepted for item No. 3, 4, 7, 8, 10, 11, 13, 14, 15, 16, 17, 18, 19, 20, 21, 23, 27, 28, 29, 31
3.	STC	Accepted for item No. 12
4.	Rays Technologies	Accepted for item No. 10 (alternate)
5.	Agritech Industries	Accepted for item No. 25

##### Items mentioned in Tender

- |  |  |
|--|--|
| 1. Coverslips                                  | 32. Measuring cylinder                         |
| 2. Conical Flask Flat bottom                   | 33. Measuring cylinder                         |
| 3. Conical Flask Flat bottom                   | 34. Measuring cylinder                         |
| 4. 24 well culture plates                      | 35. Microhematocrit Capillary tubes            |
| 5. Aluminium foil roll                         | 36. Microhematocrit Capillary tubes            |
| 6. Aluminium Seals (Aluminium)                 | 37. Micropipette tips blue                     |
| 7. Beaker                                      | 38. Micropipette tips white                    |
| 8. Beakers                                     | 39. Micropipette tips Yellow                   |
| 9. Beakers                                     | 40. Muzzle tape                                |
| 10. Beakers                                    | 41. Ointment dispensing bottles                |
| 11. Beakers                                    | 42. Petri Plates                               |
| 12. Bunsen burner with 3 meter rubber gas pipe | 43. Petri Plates                               |
| 13. Burette stands with clamps                 | 44. Reagent bottles                            |
| 14. Burettes for titration                     | 45. Rubber bunks for sealing of vaccine bottle |
| 15. Conical flask                              | 46. Separating funnels with stoppers           |
| 16. Conical flask                              | 47. Separating funnels stands                  |
| 17. Conical flask                              | 48. Specimen jars                              |
| 18. Droppers                                   | 49. Specimen jars                              |
| 19. Eppendorf tubes                            | 50. Specimen jars                              |
| 20. Eppendorf tubes                            | 51. Square cotton gauzes                       |
| 21. Eppendorf tubes                            | 52. Staining bottles                           |
| 22. Eppendorf tubes                            | 53. Staining jars                              |
| 23. Falcon tubes                               | 54. Stainless steel staining racks             |
| 24. Falcon tubes                               | 55. Sterile cotton                             |
| 25. Filter paper                               | 56. Stirrer                                    |
| 26. Beakers                                    | 57. Test tube rack stainless steel             |
| 27. Beakers                                    | 58. Test tubes                                 |
| 28. Bottles                                    | 59. Test tubes capped mouth                    |
| 29. Bottles                                    | 60. Tincture dispensing bottles                |
| 30. Kymograph paper                            | 61. Tripod stands with wire gauze              |
| 31. Dropper                                    | 62. Y-shaped rubber tubing                     |
