II. Minutes

- The 3rd meeting of Green Campus Project (GCP) lead team was held on September 20, 2021, at 9.00 pm via Zoom link. Dr, Abid Rashid Gill welcomed all attendees.
- Representative from IT department demonstrated about the prototype of GCP application designed and asked for changes required, if any.
- It was emphasised by Dr Abid to expedite collection of relevant data for the period June-August by each respective head till next week. Data should be able to demonstrate progress from the baseline previously reported by all heads.
- It was also proposed to get inputs from all respective heads regarding application design finalization and purchasing a domain/server space for this application to store data collected.
- It was also discussed that, budget for the project has been communicated in detail all respective heads should share their official bank account number for the initiation of honorarium.
