## Position Vacant Research Assistant

Applications are invited from young, dynamic and highly motivated scholars having already secured admission in MPhil/PhD for the position of a Research Assistant (Male/Female) for a research project funded by the ORIC, IUB.

**Monthly Stipend: Rs: 10,000/-** (subject to availability of funds by the IUB)

**Duration: 24 Months**

The candidate must have a deep understanding of diffraction theory and should be able to demonstrate diffraction data handling using dedicated softwares. Preference will be given to those enrolled in PhD and only if a suitable candidate not found, an MPhil scholar might be considered.

The awardee is expected to work full time under supervision of the PI. In case of non-satisfactory performance, position can be withdrawn at one month notice.

Please apply in confidence to the undersigned.

**Closing date 15 June 2021**

**Interviews: 16 June 2021**

**Dr. Maqsood Ahmed (PI)**

**Associate professor**
