

**The Islamia University of Bahawalpur, Pakistan**  
**Faculty of Engineering & Technology**  
Department of Electrical (Power) Engineering

Ref. No. 221/EL/IUB

Date: 07-10-2021

**Situation Vacant**

**Research Assistant** in Department of Electrical (Power) Engineering, The Islamia University of Bahawalpur for ORIC, IUB funded Project 3900/ORIC/IUB/2021.

Applications are invited from the eligible suitable candidates on plain paper with attested copies of testimonials, transcripts and experience certificates with specific dates for one post of **Research Student** on purely contract/project basis in a research project entitled “**Design of an optimal de-centralized infrastructure to prevent overloading of distribution transformer and load-shedding during demand imbalance event considering integration of distributed energy resources**” funded by ORIC, IUB. The project is being carried out at the Department of Electrical (Power) Engineering, The Islamia University of Bahawalpur (**P.I. Dr. Zunaib Maqsood Haider**). The appointment will be for **24 months** purely on contract/project base with a consolidated salary package of **Rs. 10000/month** with the following eligibility/qualifications.

**Eligibility/Qualifications**

- The applicant must be holding M.Sc. degree in electrical engineering with thesis.
- Good report writing and analytical skills.
- An ability to work independently in a tight schedule.
- Research experience is desirable.

**Key Duties and Responsibilities**

- To work under the direction of the Principal Investigator.
- To provide assistance in conducting research activities, including planning, organizing, conducting, and communicating research studies within the overall scope of a research project.
- Ideally to contribute to the publication of findings.
- To confer with the Principal Investigator in developing plans for research projects and to discuss the interpretation of results and the preparation of manuscripts for publication.
- To perform other related duties incidental to the work described herein.

**Last date to apply:**

Applications should be submitted to the office of **Dr. Zunaib Maqsood Haider (Assistant Professor/P.I. ORIC IUB Funded Project)** Department of Electrical (Power) Engineering, The Islamia University of Bahawalpur within 10 working days of this advertisement. Shortlisted candidates will be called for interview. No TA/DA will be admissible.
